Easy learning

SnapRing helps children learn to swim at a natural swimming angle.

High safety

If children jump from the edge of the pool into the water, the SnapRing doesn't come loose and the child always stays on the surface.

Tested and verified

SnapRing has been tested by TÜV according to the new, stricter DIN standard EN13138-1:2021.

Additional security

Double air chambers & a secure three-point closure provide additional protection for your children.

Easier swimming

The large arm and legroom makes it much easier for your children to perform swimming movements.
